Award winning Language Camps for teens!

| Contents

## About Apollo

Apollo Language Centre is an award winning English language school in Ireland. With a school for adults in Dublin city centre and Apollo Camps for juniors in Dublin and Cork, Apollo offers you the promise of an unforgettable experience.

## Apollo Summer Programmes

Our Junior Camp Programmes for students aged 11-17 run every Summer for 8 weeks from June – August in Dublin and Cork. We have two junior centres in Dublin, Sutton Park School with host family accommodation and Maynooth University with residential accommodation and one centre in Cork at University College Cork, which offers both host family and residential accommodation. Our Young Adult Programme for students aged 16-19 runs for 8 weeks from June-August at our Adult School in Dublin with host family accommodation.

## Award Winning Programmes

Apollo was awarded the very prestigious Study Travel Global Award for Star Junior Programme in both 2018 and 2019 and we have been short-listed for this award again in 2020. This sought after recognition award is voted for each year by study abroad agencies worldwide who are permitted to vote for any school they send students to so we are absolutely delighted to have been voted as the winner in this category for 2 years in a row.

# Apollo Advantages

## **Apollo Focus**

We offer an optional 5 hours' extra tuition per week, completely free of charge with a focus on project work and communication. Apollo Focus takes place twice per week during the activity time slots instead of 2 activities. Students can choose the Apollo Focus option when with us at the school.

## **Apollo Workbooks**

Apollo Juniors each receive their very own course workbook filled with interesting topics & activities to follow during their course. Students will bring their workbook home giving them a sense of accomplishment & giving parents the opportunity to see what their son/daughter has been learning while in Ireland.

## **Apollo Real World Learning**

Classes are designed specifically for students of this age using engaging topics & material. Our teachers use unique teaching methods to encourage students to speak English without feeling self-conscious.

## **Apollo Chill Out Rooms**

Apollo Junior Programmes have become renowned for our Chill Out Rooms where young learners can experience our Oculus Rift Virtual Reality (VR) headsets as well as PlayStation Gaming. Our Chill Out Rooms are always busy during free time periods and it's a great way for students to meet new friends, especially if they are feeling shy at the beginning of the programme.

## **Teams for Individual Students**

As a lot of our students come to Apollo as individuals, we operate a system of teams and Team Captains whereby students have a daily meeting with their Team Captain (Apollo staff member) which ensures students have all information they need and have a daily point of contact with us. We also have an app that parents and students can join to keep updated about the weekly programmes, team lists and much more!
