We welcome students from over 65 countries each year.

Our mission is to bring together people from around the world to learn English in England and to encourage intellectual curiosity, cultural awareness and tolerance in all that we do.

We aim to provide a safe, welcoming environment in which our students can improve their English language skills and gain insight into British life, culture and heritage, both inside and outside of the classroom.

Cambridge

CITY FESTIVALS

Cambridge is famous for its many festivals held throughout the year, some of which are the oldest or biggest in the UK. The city hosts excellent annual festivals of science, history, beer, music (Folk, Classical, Rock & "Pop in the Park"), film, literature and Shakespeare.

THE CITY OF CAMBRIDGE

Our city is known throughout the world for its mediaeval university colleges, impressive architecture, the peaceful River Cam, and its green parks and gardens. With its historic buildings and beautiful setting, the city of Cambridge is the ideal place in which to learn English.

Cambridge has a long tradition, but the university is a centre of exciting and innovative scientific research, with key local companies such as Microsoft, Apple and ARM based here. With a population of around 100,000 residents and 20,000 university students, Cambridge is an exciting place in which to live and study. It is small enough to get around easily on foot or by bicycle, but big enough to have all the shops, restaurants, cinemas, theatres, clubs, museums, galleries and sporting facilities that you need.

Of course, if you want to visit a really big city, London is just 50 minutes away by train.

Our main school is just 15 minutes' walk from Cambridge's historic centre, and our summer school is 20 minutes' walk away.

CAMBRIDGE'S UNMISSABLE ATTRACTIONS

Cambridge has so many beautiful buildings, green parks, open spaces, museums and attractions, it is difficult to name them all, but here is a sample of things not to be missed.

- Punting on the River Cam
- The many stunning Cambridge University colleges such as King's, Trinity, Jesus and St John's College

Our Facilities

STUDIO MAIN SCHOOL

Our main school is open year-round. It is located in an impressive 19th century building belonging to Cambridge University. It is within easy walking distance to the centre of Cambridge and the main railway station, from where there are frequent direct train services to London.

English classes take place year-round at Studio main school and occasionally during peak times are supplemented by classrooms within easy walking distance. During July most classes are held at Hills Road College (see below).

Facilities at main school and Hills Road include:

13 classrooms

Learning Centre with self-study library (at main school), & Wi-Fi access

Director of Studies Office for help and advice with academic work

Accommodation Department. We arrange all homestay and residential accommodation ourselves

Student Services Department for activities and excursions

Welfare Department with dedicated welfare personnel

Cafeteria for hot or cold lunches, snacks, drinks

Garden

Our main school is just 15 minutes' walk from Cambridge's historic centre, and our summer school is 20 minutes' walk away

HILLS ROAD COLLEGE

During the summer, classes are also held in Hills Road Sixth Form College (HRSFC), one of the most outstanding schools in Britain. It is renowned for sending more students to Oxford and Cambridge university than any other state college in Britain. It is just 10 minutes' walk from our main school and we have been successfully running summer classes here every year since 2005.

ACCESSIBILITY FOR STUDENTS

Our main school in Cambridge is in a building over 100 years old, with four floors and no lifts. We unfortunately, therefore, have limited facilities for people using wheelchairs. Accessibility to our summer centre at HRSFC is also limited. Please let us know before you enrol if you have any special needs. We will be able to advise you on the suitability of our schools, courses, activities and accommodation for your particular requirements.

OUR FACILITY PROVIDERS

We have been offering our courses on the campuses of colleges for many years. However, these institutions are not responsible for our courses. Studio Cambridge is solely responsible for the design and management of these programmes, which are accredited by the appropriate government-recognised organisations.

STUDIO SUMMER CAMPS FOR AGES 8 TO 19

Studio Cambridge runs 4 summer camps for different age groups, including 3 summer camps in Cambridge. Please see our "English Language Camps" brochure for details.

A PROVEN HISTORY

We have been running English language camps for many, many years. Our "newest" camp started ten years ago and our oldest has been running for over 50 years.

The camps are run at our own school in Cambridge, at Cambridge University colleges, and at some of the best schools and colleges that England has to offer.

DESIGNED FOR DIFFERENT AGES

Each of our English Camps is intended for a specific age group. The academic, social and sports content, the accommodation, and the level of welfare and supervision, are carefully designed according to the age of the camp participants.

ACTIVITIES

All our camps feature a variety of activities, in addition to the English language lessons. The programmes are busy - ensuring that there is always lots to do.

Activities include sports, arts and crafts, local visits, language games and parties.

Studio Cambridge Activities

ACTIVITIES

To take full advantage of living and studying with us here in the UK, you should continue to speak English after your classes are finished for the day. This will help you to learn as much as you can about our way of life, the food we eat, the festivals we celebrate and the sports we play.

Join in with the activities and you will find yourself using the English you have learned in the classroom.

Our courses EFL-20, EFL-28 and CE-28 all offer an afternoon activity each week, either free of charge or at cost.

We have some other clever ways of keeping you talking.

For example:

Studio "missions"

We set missions for you, with the goal of finding out information and encouraging you to practise your conversation skills around the city. Studio missions are fun, out-of-school assignments, which help you to explore Cambridge while practising and improving your English - for example, visiting Cambridge University colleges, reviewing a local restaurant or attending a local football match. You will receive a special certificate for each mission you complete, but the real reward will be making use of your free time to learn more about this great city.

FROM CAMBRIDGE TO LONDON AND EUROPE

Trains depart Cambridge for London every 15 minutes. Since the journey takes as little as 50 minutes, London is easy to visit for a day's sightseeing, serious shopping or to visit the theatre or attend a concert.

There are also direct trains from Cambridge to the Eurostar at St Pancras Station and London's Stansted Airport, which offers cheap flights to 30 countries in Europe and other continents.

It is easy to travel independently from Cambridge by train or coach to all destinations in the UK. There is direct transport to London, Birmingham, the seaside, and all of the London airports.

During the weekend, student excursions can be booked at Studio to destinations such as London, Windsor Castle, Stratford-upon-Avon, Oxford, York, Bath, Canterbury, Warwick Castle and Stonehenge.

These are all at extra cost. A full-day excursion to London, for example, costs approximately £28. Some excursions are available exclusively to students aged 18 years or more.

Studio Cambridge Welfare

YOUR WELFARE

Your well-being, comfort and safety are our most important responsibility and we take it seriously.

For students of all ages:

1. We have experienced and trained welfare staff.
2. You will be given a 24-hour emergency telephone number to contact Studio Cambridge staff at any time.

For students under 18 years of age:

We pay particular attention to the welfare of students aged under 18 years attending our English courses and Sir George Camp.

1. You will have a dedicated Head of Pastoral Care who is concerned specifically with your well-being.
2. As a homestay student or residential student (summer only) aged under 18, you must be home in the evening earlier than over 18s. Your hosts or wardens will ensure that this rule is followed.
3. You will need to travel independently between the school and your accommodation (by bus, bicycle or on foot).
4. You will have some unsupervised free time outside of classes and activities every day, and a free schedule at weekends.
5. You may only take our intensive courses with a minimum of 28 lessons. The morning-only option (EFL-20) is not available to under 18s.
6. You must be in school to attend your first lesson each day.
7. Your transfer arrangements, from or to the airport, must be made in communication with us. We will arrange these transfers for you unless we have written assurance from your parents to say that suitable alternative arrangements have been made.
8. Residential accommodation is available to under 18s in July and August. Homestay accommodation is available year-round.
9. Due to these additional measures for students under 18, the Registration Fee* and homestay charge for our EFL-28 and CE -28 courses is higher than it is for students aged 18+. Please see our "Dates and Fees" list.

*There is no additional fee for registration on any of our camps.

Homestay Accommodation

THERE ARE THREE TYPES OF HOMESTAY ACCOMMODATION:

B&B

Good, clean accommodation in Cambridge with breakfast included

Standard

Good, clean accommodation in Cambridge with breakfast and dinner included

Superior

Higher-standard accommodation in Cambridge, typically providing a bathroom for your private use. Breakfast and dinner included. (Available exclusively to students aged 18+)

"My hosts are incredible. The house is always clean and warm – it is really nice to go back every day, practise speaking English and share a tasty dinner."

Alex, Chile

"My time in the homestay has been excellent. It is a unique experience and I feel lucky to have my host mother here. We talk about every topic and the family is very friendly."

Martina, Uruguay

HOMESTAYS - LIVING WITH LOCAL PEOPLE

Living with a host family in their private home - a homestay - is the best way to practise English in a relaxed and social environment outside of classes.

All our hosts are known to us personally and we inspect all of them at least once a year. They provide a friendly environment, a clean and comfortable bedroom, good food, and a quiet place for study.

Homestays are located less than 40 minutes from school on foot, by bicycle or using the frequent bus services. Our hosts are typical of British and Cambridge society as a whole, with different ages and occupations, and from a variety of ethnic and cultural backgrounds.

If we place another student in your homestay, he or she will not be a native speaker of your language, so communication will be in English.

YOUR BEDROOM, LAUNDRY AND MEALS

You will have your own private (single) room. Shared rooms are provided for Sir George camp students and are available for couples

Your clothes will be washed once per week

Your bed linen and towels will be changed once per week

Your homestay hosts will provide you with 16 meals per week: Breakfast and dinner every day; and Lunch on Saturdays and Sundays

Lunch is available in the school cafe every day from Monday to Friday

Residential Accommodation

RESIDENTIAL ACCOMMODATION FOR AGES 18+

If you are aged 18 years or more, you may choose accommodation in a residence. This will give you more privacy and independence than a homestay. Living in the residence requires that:

- You clean up after yourself

We have two student residences available:

Year-round at Tripos Court and summer at CB1

Tripos Court

CB1

Our residences are modern, purpose-built student apartment complexes. They have a high standard of facilities and a young, lively international atmosphere. All are just a few minutes' walk from a cinema, bowling, gym, bars and restaurants.

- Single bedrooms with private shower and toilet
- Well-equipped shared kitchen and dining area or studio room with kitchenette
- Bed linen provided weekly

- Room cleaning weekly
- Secure entry system and CCTV

RESIDENTIAL ACCOMMODATION FOR AGES 16 & 17 (with meals included)

If you are aged 16 or 17 years, you may choose accommodation in a residence during the summer (available in July and August only). The residence is strictly supervised by residential staff living on site.

Residential accommodation requires that:

- You return home to the residence by 22:00 each evening
- You wash your own clothes
- You are mature enough to be unsupervised for long periods of time each day, including all day and evening at the weekends

These large, modern student residences are just 5 minutes' walk to our main school and Hills Road Sixth Form College and 15 minutes' walk to the centre of Cambridge.

They have a high standard of facilities and a young, lively international atmosphere. All meals are provided locally at our school dining hall or course centre café.

The DoS is available to advise you about which courses or exams to take, help you with any problems or worries you might have or just listen to you if you feel the need to talk to somebody about your time studying with us.

STUDY LONGER FOR LESS

Our courses cost less per week the longer you study. See our Dates and Fees list for information. If you are staying for 4 weeks or more, you can move from the EFL 28 course to our examination courses as you progress in your studies.

CLASSES AT THE RIGHT LEVEL

Classes are at all levels from beginner to advanced. You will be tested before you arrived and placed in a class at the level which is right for you. You will be able to change level as you progress by discussing with your teacher and the Director of Studies.

The table (page 11) shows the six main levels we use and the equivalent levels in the Cambridge Assessment Examinations, TOEFL and IELTS.

Progress test

At the end of each week you will take a test to make sure that you have understood the work covered during the week. You will be able to see your improvement.

Exit test

At the end of your course you can take an exit test. This will measure your level of English at the end of your course and, by comparing the results with those of your placement test, your overall progress. We will give you an additional certificate to show this progress.

Tutorials

A tutorial is a private meeting with a member of the Academic Team in which you can discuss the progress you have made and what you need to do next to reach your goals.

Your Study Plan

Based on the personal goals identified in your tutorials and your work in class, you will receive a personalised Study Plan. This will guide you to work on those areas of English which you need to focus on to improve your command of the language.

Certificate of Studies and Academic Report

At the end of your course you will receive a certificate showing the course you have studied and the dates of that course.

Your teacher will also write a personalised Academic Report which shows not just your progress but also the level you have attained in each area of English. This is a very useful document for your future studies or work.

Modern technology

Lessons regularly incorporate modern media, such as video clips, webpages, social media and the latest news, through which we can bring the English-speaking world into our classrooms.

Homework

Homework is set daily by your teacher and is designed to complement your classroom studies, helping you to retain and practise the new language from your lessons and to make faster progress. We also have some other clever ways of keeping you talking through our Studio "missions"

WELFARE

Sir George has a dedicated Welfare Officer who is concerned specifically with your well-being. Each evening you will be required to be home at your homestay by a set time - "curfew" - and we liaise with your host to ensure that this happens.

EXCURSIONS

Excursions are usually available for Sir George students as an option every other weekend, at additional cost. A full-day excursion to London, for example, costs approximately £45.

ACTIVITIES & GUIDED STUDY

Each week the Sir George camp offers 3 sessions of guided study and 2 sessions of cultural activities after your lessons. All are included in the fees.

During guided study, work is set by your teachers and there is help available from a member of staff. Its aim is to reinforce and extend what you learn during your lessons, thereby helping you make quicker progress.

Cultural activities offer a range of indoor activities or a cultural visit to a place of interest in the city - such as punting on the river Cam, King's College chapel or the Fitzwilliam museum.

AIRPORT TRANSFERS

Sir George students will be met at the airport of arrival in London by a Studio Cambridge representative on the Sunday of the start of the course. He or she will arrange your transportation to your accommodation by taxi. You will then be taken back to the airport on the Sunday at the end of your course and helped to check-in.

The cost of this Sunday service from Heathrow or Stansted airports is included in the fees. A small supplement is charged for Sunday service to Gatwick or Luton airports. If you plan to arrive on a different day or at a different airport please contact us. Additional fees will apply.

We must know your travel arrangements in advance. You can choose to make your own arrangements to come to Cambridge but we will need to know the details in advance

HOMESTAY ACCOMMODATION

Living with a host family in Cambridge in their private home - a "homestay" - is a great way to practise English in a relaxed environment outside of classes. Our hosts are known to us personally and we inspect all of them regularly. They provide a friendly environment, a clean and comfortable bedroom, good food and a quiet place for study.

Homestays are normally located less than 40 minutes from school on foot, by bicycle or using the frequent bus services. Our hosts are typical of British and Cambridge society as a whole with different ages and occupations, and from a variety of ethnic and cultural backgrounds.

Bedrooms are usually shared with another Studio student of similar age and different nationality. Some singles are available. Your host will wash your clothes once per week and bed linen and towels will be provided and regularly changed.

Your homestay hosts will provide you with 16 meals per week - breakfast and dinner every day, and lunch on Saturday and Sunday. Weekday lunch is provided at school with a hot or cold option available Monday to Friday in the school café. Special dietary requirements can usually be met if requested in advance.

Is homestay accommodation right for you?

Homestay accommodation is suitable for you if you are interested in living with (and learning about life with) a local Cambridge host. You will have unsupervised free time as you are required to travel independently between the school and your accommodation, by bus, bicycle or on foot.
