NORTHWEST MOUNTAIN RESORTS - BILLINGS

Billings is the largest city in the state of Montana with 167,000 people. Billings is located in the south-central portion of the state. Billings is the retail destination for much of this area. With more hotel accommodations than any area within a five-state region, the city hosts a variety of conventions, concerts, sporting events, and other rallies. Billings is only 120 miles from Yellowstone National Park and driving distance to Glacier National Park. There is a lot of opportunity for second jobs and activities in the city or around Montana, such as visiting Yellowstone National Park, the Beartooth Pass, and more!
