NORTHWEST MOUNTAIN RESORTS – BOZEMAN

Bozeman is a city in the southwestern part of Montana. It is the fourth largest city in Montana and a college town, home to Montana State University. The area attracts people due to the high quality of life, scenery, and nearby recreation. Bozeman has 40,000 people and is busy in the summer with tourists going to Yellowstone National Park (90 miles away) and the unlimited outdoor activities that Montana offers. The city of Bozeman combines a young and vibrant college community with the charm of the old west. Downtown has plenty to offer with quaint restaurants, shops, a mall and a movie theater. There is a free bus system in place that can get you where you want to go in town. The historic town is just moments away from hiking, horseback riding, The Museum of the Rockies, world-class dining, some of North America’s top fly fishing streams and rivers, and a wide variety of other outdoor activities. Rent or purchase a bicycle, and you’ll be only minutes away from enjoying almost any of these activities. Bozeman is a great location to explore the outdoors. It is possibly the most beautiful natural scenery in the USA!
