THE GREAT SOUTHWEST – MOAB

Moab is known as Utah’s adventure capitol, offering activities such as biking the Slickrock Trail, off-road routes and the Moab Jeep Safari, rafting down the Colorado River and hiking to Delicate Arch - Utah's famous icon. From scenic parks to adventure, Moab Utah offers something for everyone. Two national parks are located in the Moab Utah area: Arches National Park, and Canyonlands National Park.

PROS & CONS
PRO: Beautiful area, perfect for students that are into the outdoors experience and national parks experience. The town is small but very nice, with a great community center.
CON: No public bus system available. It is hot in the summer time, and pax have to bike or walk to work.

HOT TIPS
Getting a bike is the best you can do in this community, making it easier to ride to work and get out to explore.
